Maransi Street RT 01 RW 05 Air Pacah, Padang 25176

## SUMMARY

---

I'm Jamil Febrian, a Bachelor of Electronic Engineering at Padang State University with extensive experience in the design and development of electronic system engineering technology. Proficient in PCB design, signal processing, Web Development, Android Development, Robotic and IoT-based programming. I have a strong interest in problem solving in the fields of robotics, networking, electronics, and programming.

## EDUCATION

---

**Padang State University - Padang, Indonesia**

**Aug 2019 - Mar 2024**

Bachelor of Electronic Engineering Education, GPA 3.34

**Thesis :** *Automatic pesticide spraying control system using UAV Hexacopter drone*

## ORGANIZATION EXPERIENCE

---

**Robotic UNP**

**Jan 2022 - Jan 2023**

**Head of Division VTOL Flying Robot Team**

- Leading robotics team members in the field of vertical take off and landing flying robots
- Implement research and development related to the field of VTOL flying robot technology
- Implement training for VTOL Flying Robot research members
- Participating in the Indonesian Flying Robot Contest Vertical Takeoff and Landing (VTOL) Division

## PROFESSIONAL EXPERIENCE

---

**PT Karlin Mastrindo**

**Jan 2025 - Des 2025**

**Manage Service BRIBOX Technician, Contract**

*Batusangkar, West Sumatera*

- Carrying out maintenance and repair of computer and printer equipment at BRI Bank units in the Batusangkar and Payakumbuh areas.
- Conducting inspections and maintenance of Uninterruptible Power Supply (UPS) systems in the server rooms of BRI Bank units in the Batusangkar and Payakumbuh areas.
- Performing troubleshooting and repairs on computer and printer equipment at BRI Bank units in the event of device malfunctions.

**Project Frelance**

**Electrical Installation, Freelance**

**Sep 2024**

*Padang, West Sumatera*

- Create and install 14 points of home electrical installation
- installing switches and sockets in the installation
- installing of Miniature Circuit Breaker (MCB) in the installation

**Padang State University**

**Jan 2024 - Dec 2024**

**Assistant Lecturer, Freelance**

*Padang, West Sumatera*

- Supporting lecturers in supervising student projects related to engineering technology and electronic systems
- Supporting lecturers in research and development activities in the field of electronics technology.

**PT PLN UP2D Sumbar**

**Apr 2023 - Mei 2023**

**SCADA Engineer, Intern**

*Padang, West Sumatera*

- Monitoring of power outages in the West Sumatra area
- Installing protection relays and RTUs on the switchgear
- Integrate protection relays and RTUs into the SCADA system in the workspace area

**MAN 2 Padang****Robotic Mentor, Freelance****Jan 2023 - Jun 2023***Padang, West Sumatera*

- Supporting students in understanding technological advancements in robotics through projects on sumo and line follower robots.
- Supporting and facilitating students to participate in high school–level robotics competitions.

**SDIT ADZKIA 2 Padang****Robotic Mentor, Freelance****Jul 2022 - Jun 2024***Padang, West Sumatera*

- Guiding Students in Creating Mobile Robotics Projects
- Guiding Students in learning about Robotics Technology

**Minang Techno****Embedded System Engineer, Freelance****Jul 2022 - Sep 2025***Padang, West Sumatera*

- Providing Electronic Project Creation Services and Automation based on the Internet of Things Project
- Create 3D Design, PCB Design, Web Programming, Control System, and IoT Programming

**SKILL**

---

- Back-End Programming : PHP, Python, Javascript, C/C++, Golang, mySQL
- Front-End Programming : HTML, CSS, Bootstrap, TailwindCSS
- Embedded Programming : Arduino, ESP32, ESP8266, Raspberrypi, STM32, MQTT, HTTP
- Web Framework : CodeIgniter, Laravel, Django, ReactJs, VueJs
- Electronics Design : Autodesk EAGLE, Proteus, Fritzing, SimulIDE
- Networking : Computer intallation, LAN installation, Electrical Installation

**PERSONALITY SKILL**

---

- Leadership
- Fast Learning
- Critical Thinking
- Analytical Thinking
- Creative
- Innovative
- Problem Solving
- Team work

**LANGUAGE**

---

- Indonesia
- English
